

## **DEFINE YOUR SOUND - Guitarists & Their Pedal Boards**

This seminar is essential to any contemporary guitarist serious about their sound. In this lecture Todd discusses the skills needed to get the most from your guitar pedal board rig.

### **Typical Topics Include:**

- Guitar Specs
- Amps
- Effects Categories
- Effects Order
- Jazz Setups
- Blues Setups
- Country Setups
- Classic Rock Setups

Depending on audience level and direction of discussion, topics may include any or all of those listed. above Lecture will be accompanied by demonstration where applicable as well as flow charts & diagrams (black board or marker preferred not required).

By the end of the seminar you will be able to understand the factors that determine a guitar and amplifier's tonal characteristics, identify how effects are categorized, combined and how each pedal works to process your sound.
